Section III – Candidate Profile

The candidate should provide the following as an attachment to this form:

- A curriculum vita or resume.
- A statement describing your interest in the President's Leadership in Action Academy and how your involvement might benefit the University and your department/unit.
- Examples of how you have exhibited the potential for effective leadership on campus and/or in the community.
- Identification of an area outside your normal assignment where you have an interest in observing and participating in the activities and processes of that area. Please briefly explain the basis for this interest.
- Identification of a challenge currently facing the University that, if met successfully, would have a positive impact on the institution and its constituents. Please briefly explain how you might be involved in the solution to this challenge.
